Alternative Motion 3.  
GOVERNING FACULTY MOTION TO AMEND THE UNIVERSITY OF MICHIGAN-FLINT
FACULTY CODE

Clarify the role of student membership on the University Faculty Standing Committees described in the Faculty Code’s Article 3, Section 4 by amending Article 3, Section 3.a. to read:

The Student Government Council may appoint voting student members on standing committees as provided in Section 4 below. **Student members shall not count toward the quorum.**

Rationale in favor: To clarify what constitutes a quorum for committees with student membership, and to clarify the role of student members regarding voting on these committees.

Rationale against: A student committee member might be enrolled in a course taught by a faculty member of the same committee.
