Approval of minutes of 1/28/2016 meeting:
• Minutes submitted by Sarah Lippert
• Minutes approved with minor revisions

Review of URP 497:
• Requesting capstone designation
• Approved

Review of DAN 226:
• Requesting F designation
• Committee questions the proposal’s outcomes 7 and 8
• Committee evaluates as a revise and resubmit, suggesting that the submitters strengthen their justification for current proposed SLOs or aligning to more appropriate ones.

Review of EVN 103:
• Requesting to change from N/NL to NL only.
• Approved.

Review of RPL 260:
• Requesting FQ designation
• Approved.

Review of INT 394:
• Requesting GS designation
• Committee expresses concerns about the description of the proposal for aligning to critical thinking.
• The committee also expressed concern that the outcomes selected were tailored to some, but not all, of the potential international expeditions that might be proposed. It would be a shame to deny support for a trip because it did not meet these three specific outcomes.
• The committee votes to ask for a resubmission with a broader scope of goals.
Review of URP 111:
- Requesting an S designation.
- Approved.

Review of PSY 377:
- The committee decides that the proposal reached the committee in error, having been rejected at the college level.
- No action. Roy will investigate how the document made it to us.

Review of EDM 101:
- The committee is skeptical that the course meets the description of a general education course.
- The committee votes to ask for a resubmission which addresses this issue.
