Approval of the Minutes
Minutes from the February 23rd meeting were not addressed.

General Education Curriculum Review Discussion
- Greg Tewksbury presented General Education detail by class taught by Schools outside of CAS to review:
  - General Ed definition and trends
  - Enrollment levels in General Ed courses over time
  - Data that might support the budget impact of Gen Ed offerings on CAS.
  - A summary handout was distributed to the group.
- Moving forward, the Chancellor made a recommendation to charge the General Education Committee to revisit the individual courses within the general education curriculum to be sure they are appropriately designated to general education.
- The Chancellor has also charged the Provost and the Vice Chancellor for Business & Finance to review the current model related to general education present options to this committee to review how we can move toward a budget model that is driven by the academic programs and drives student success and excellence.
- Provost will be attending an upcoming General Education Committee meeting to discuss this topic further.

Strategic Plan Prioritization
- A document prepared by Jessica Tischler summarizing the priorities was distributed to the committee for discussion and review.
- Chancellor proposed sending this document out to the campus community as well as posting it on the website so the campus community can see the outcomes.
- The document will be accompanied by a letter from the Chancellor explaining how this document will be utilized to shape the efforts of the upcoming strategic planning.

Meeting adjourned at 1:58 p.m.
